ROUND TABLE WITH MARBLE TOP

\$4,080

c. 1850 • Shanxi, China • Marble, Northern Elmwood • Collection #CMK068

H: 22.0" Dia: 26.0"

Honoring the essential character of wood and stone, this 19th-century end table marries the animated grain of northern elmwood to the subtle veining of pure marble. A masterful design united by flowing curves, this table exhibits a flawlessly turned apron that wends curved legs down to a circular stretcher bar, echoing the round table top. Evidence of its precise construction is seen in the mortise-and-tenon joints and mitered joinery where its legs insert into the apron. Continued...
