PHOENIX AND PEONY MARBLE PLANT STAND

\$1,880

c. 1850 • Northern China, China • Marble • Collection #M102B

H: 9.5" Dia: 12.5"

This drum form pedestal was carved from a single block of white marble by Qing-dynasty artisans in the mid-19th century. Ringing both its top and bottom, an etched pattern of nail heads imitates those used to stretch a skin on an actual drum. At the pedestal's center is a lively scene of a phoenix midflight beneath a flowering peony blossom, set in low relief within a simple medallion form. A scene of tender affection, the phoenix here represents a lover, while the peony represents its beloved. Continued...
