BEETLE PEDESTAL BY MICHAEL GROSS

\$2,680

United States • Terra Cotta • Collection #CAN040

H: 31.25" Dia: 21.0"

Both a functional piece of furniture and an intriguing sculpture, this ceramic pedestal is a statement-making centerpiece in any room. Mixing terracotta and ebony hues, the pedestal is carefully constructed of ropes, slabs, and smears of clay. The mix of textures is extraordinary, from rope-like appliques that structure the base to highly detailed, embossed images of beetles and flowers that decorate the top. Continued...
