MINIATURE MINGQI CABINET

\$2,880

Shanxi, China • Ceramic • Collection #BJB046A

W: 5.25" D: 3.5" H: 7.5"

This miniature ceramic cabinet is from Shanxi Province and may have been made to represent Mingqi, a type of ancient Chinese burial good. Mingqi were placed in tombs to give the dead everything they'd need in the afterlife: weapons, armor, body guards, horses, or even everyday things like musical instruments, or perhaps this tiny cabinet.
