MINIATURE HUANGHUALI ETAGERE BOOKCASE

\$288

Northern China, China • Yellow Rosewood • Collection #X095

W: 4.0" D: 2.0" H: 8.0"

A full size bookcase with this level of workmanship and detail would be an incredible find, but this beautiful piece of furniture—at only eight inches tall—is perfectly constructed down to the tiniest minutia. Crafted of huanghuali, or yellow rosewood, the small etager recreates the free-standing shelves used in well-to-do Qing-dynasty homes to display one's collection of fine porcelains, bronzes, and scholars' rocks. The proportions and joinery techniques all impeccably reflect the best of Chinese furniture design.
