MONUMENTAL GLAZED RELIEF JAR

\$5,380

c. 1900 • Southern China, China • Ceramic • Collection #Y064

H: 31.75" Dia: 39.0"

This grandly scaled ceramic vessel was made by hand in northern China in the early 20th century, patterned in high relief with medallions framing floral motifs. Rimmed with texture, the vase is expressively coated inside and out with an ochre glaze, streaked with dark brown, and makes for the perfect a dramatic, large planter, water feature, or stoic sculpture.
