## PETITE STONE MORTAR

**\$188**

c. 1850 • Shanxi, China • Limestone • Collection #BJAA056E

H: 4.0" Dia: 5.0"

This petite mortar was hand-carved from a single block of limestone over 150 years ago in China's Shanxi province. The mortar shows some signs of wear that attest to its age and use - grinding the outer husks off of grains of rice. We love the small vessel as a decorative bowl or a planter for a single orchid.
