## PAINTED LUCKY FISH

**\$228**

Shandong, China • Pigment, Pine • Collection #TLA024U

W: 7.0" D: 4.5" H: 10.0"

Hand-carved from reclaimed wood, this rustic fish sculpture recreates early 20th-century Chinese folk art designs. The fish is painted with a palette of brown, red and yellow and finished with a beautifully worn texture. Common motifs in Chinese art, fish are emblems of harmony, wealth, and luck, and Buddhist symbols of "freedom from all restraints." Set on a custom steel mount, this provincial koi looks wonderful on a bookcase or console as a tabletop sculpture.
