LUCKY FISH

\$188

Shandong, China • Pigment, Pine • Collection #TLA024F

W: 9.0" D: 4.5" H: 9.75"

Hand-carved from reclaimed wood, this rustic fish sculpture recreates early 20th-century Chinese folk art designs. The fish is carved with a squat, rounded body and painted with a neutral palette of red and yellow. Common motifs in Chinese art, fish are emblems of harmony, wealth, and luck, and Buddhist symbols of "freedom from all restraints."
