\$6,380

c. 1850 • Mongolia • Pigment, Wood • Collection #BJEE107

This handsome two-door, two-drawer cabinet was made long ago by a Chinese artisan and can be appreciated for many years to come. It has a simple and subtle charm that is timeless: the original brass hardware, the hand painted scenes showing a Chinese scholar's studio, and the black and red paint have worn beautifully to expose the grain of the wood beneath.
