
PAGODA RED

PAIR OF BLACK LACQUER CABINETS

\$13,800

c. 1850 • Shanxi, China • Northern Elmwood • Collection #DVA003

W: 40.25" D: 23.25" H: 75.5"

There are dozens of finishes that can imitate the look of crackled lacquer but nothing can compare to the real thing. After this stately cabinet was constructed around 1850, it was given layers upon layers of black lacquer, a time-consuming process that built up a lustrous and protective coating. Over a hundred years of use and shifting humidity and heat levels stressed the coating, giving the cabinet its pronounced and highly sought-after crackles.
