
PAGODA RED

PAIR OF GREEN GLAZED STORAGE JARS

\$1,880

c. 1900 • China • Ceramic • Collection #CFC468

H: 14.0" Dia: 13.0"

A luminous blue-green glaze sheets, pools, and drips down the tapered sides of these elegant stoneware jars, lingering on every imperfection. The glassy glaze exhibits a rich range of colors and crazed during firing for a beautiful crackled finish. Dated to the late 19th century, the jars were once used to store grain and other dry goods in a Qing-dynasty kitchen. Today, we love the pair as planters in the home or garden, perfect for a young sapling or a display of lush greenery.
