**\$12,800**

c. 1800 • Shandong, China • Northern Elmwood • Collection #Q158

W: 23.0" D: 18.75" H: 43.5"

With exemplary proportions, fine carving, and soft, fluid lines, this pair of early 19th century tallback chairs is among the most elegant in our collection. Their finely carved backsplats and aprons depict alluring bamboo. The crest rails are carved with bats, symbols of longevity; apropos, as this pair of chairs has aged wonderfully with time.
