PAIR OF MONUMENTAL COURTYARD DOORS

\$14,800

c. 1850 • Shanxi, China • Northern Elmwood, Iron, Lacquer • Collection #R024

W: 98.0" D: 3.75" H: 118.5"

This pair of monumental doors are over a century old and probably once sat in the courtyard of a Qing Dynasty home in China's Shanxi Province. The doors have a crackled, lacquered, lightly worn finish that exposes the grain of the Elmwood beneath. They have an undeniable presence, reinforced by the large iron hardware. These antiques could become a striking feature in any home.

Dimensions listed describe the doors as a pair.
