PAIR OF METALLIC OBI PILLOWS

\$980

Japan • Silk, Linen, Fabric • Collection #CTX040

W: 18.5" D: 6.0" H: 18.5"

This pair of artisan-designed pillows was made by hand from a vintage Japanese obi patterned with orange wave-like swirls against a metallic silver field. A woven brocade obi of a metallic fabric like this was considered the height of fashion modernity in Japan during the 70s. The pillows are down-filled and tastefully backed with linen.
