PETITE GLAZED PANTRY JAR

\$238

c. 1900 • Shanxi, China • Ceramic • Collection #BJGG076B

H: 4.25" Dia: 6.0"

A dark glaze coats the angular body of this squat kitchen vessel, creating a subtle gradient as it spills over the tapered sides. The petite early 20th-century dish was once used for storing food in a Qing-dynasty kitchen, as evidenced by its interior glaze. Dotted with imperfections, the lustrous dark glaze gives this pantry jar a glassy appearance, contrasted by the unfinished base and lip. We love this petite vessel as a tabletop planter for a succulent or a single orchid.
