PETITE KEEPER'S CHEST

\$2,980

c. 1850 • Shanxi, China • Northern Elmwood, Brass • Collection #BJFF076

W: 38.5" D: 23.0" H: 29.75"

Perfectly proportioned for its petite size, this elmwood chest supports a table top with curving spandrels - echoed in the gentle curves of its apron base and rounded feet. A handcrafted brass fixture with a triple-dagger post adds to the chest's larger-than-life attitude. We love it bedside or tucked at the end of a sofa.
