PETITE STONE DRUM PEDESTAL

\$228

Shanxi, China • Stone • Collection #BJDD040E

H: 1.25" Dia: 4.0"

This petite low pedestal was hand-carved of limestone to resemble a drum. Thin vertical lines etched into the surface imitate the stretch of skin on an actual drum and exaggerate the barrel-like swell of the pedestal's sides. An elegant way to display a vase or decorative object, this stone drum adds storied history to a bookcase or side table.
