c. 1900 • Northern China, China • Northern Elmwood • Collection #BJGG011A W: 20.0" D: 6.0" H: 25.0"

Softened by subtle patina, the expressive grain of northern elmwood (yumu) shines in this provincial wheel from an early 20th-century farm cart. The wheel is in remarkably good condition, likely due to its resemblance to a coin, a popular symbol of prosperity and good fortune. The disc's swirling grain patterns recall the organic beauty of Chinese scholars' stones and add fantastic texture to modern interiors.
