
PAGODA RED

PROVINCIAL FOOTED TRAY

\$398

c. 1900 • Southeast Asia • Wood, Lacquer • Collection #CMK112

W: 9.5" D: 9.5" H: 6.75"

This rustic container has an unusual hourglass shape, with a square base and a tapered upper half divided into three compartments. The exterior is coated with red and burgundy lacquer, now well-worn from years of use. Possibly originally used as a serving dish for betel quid, the footed tray has wonderful character and makes for a storied jewelry box or desktop organizer.
