PROVINCIAL LOCK ON STAND

\$980

c. 1900 • Shanxi, China • Iron • Collection #Z107

W: 6.75" D: 2.5" H: 6.25"

This early 20th century iron lock was made by hand during the Qing Dynasty. The lock's ubiquity has, a century later, turned it into treasure. Though incredibly sculptural, it was originally constructed for purely practical use and not common to collect. This lock is appropriately displayed on a custom steel stand.
