PROVINCIAL RICE MEASURE

\$380

c. 1850 • Northern China, China • Pine, Iron • Collection #BJD011F

W: 13.75" D: 13.75" H: 9.75"

This rustic container was made over a hundred years ago to measure and hold a dou of rice, an ancient Chinese measurement. The rice measure has a square form with tapered sides and edges trimmed with iron fittings to protect against damage. This measure has aged wonderfully, boasting a smooth, softened finish developed from the touch of hands over time.
