Shandong, China • Northern Elmwood • Collection #TLB038

W: 48.0" D: 13.5" H: 32.0"

This contemporary console table is a celebration of wabi-sabi style. Crafted of wood reclaimed from Qing-dynasty architecture, the table has a minimalist waterfall design and is left unfinished to preserve the natural beauty of its materials. Dovetailed corners recreate traditional joinery methods and add intrigue to the clean-lined form. Ideal in a hallway or entry, this small console captivates with beautiful color and incredible texture.
