Shandong, China • Northern Elmwood • Collection #TLB042

W: 60.0" D: 12.5" H: 32.0"

This reclaimed wood console table is a celebration of wabi-sabi style. Crafted of elmwood timbers salvaged from Qing-dynasty architecture, the table has a minimalist waterfall design with dovetailed corners that recreate traditional joinery methods. The clean-lined table has been brushed with clear wax to add a subtle sheen while preserving the wood's centuries-old patina. Ideal in an entry or placed behind a sofa, this modern console captivates with beautiful color and incredible texture.
