W: 15.0" D: 7.0" H: 7.5"

Resembling a low kang table, this small table stand is simply shaped with a waisted apron and four short legs ending in hoof feet. Decorated in the style of Mongolian and Tibetan furniture, the stand is painted red on all sides and outlined by a green, blue, and yellow border that turns into simple scrollwork on the front apron. Brightly colored, this low stand enlivens its modern interiors as a display pedestal or footrest.
