W: 15.5" D: 12.25" H: 12.25"

Crafted in northern China in the mid-19th century, this feng deng, or "square stool," honors classical Chinese style with simple lines and natural beauty. Much more portable than heavier chairs, stools such as this were pulled up for use at mealtimes or used in an outside courtyard or garden. Designed with rounded legs and stretchers, the stool references a style of simple bent bamboo construction popular in earlier eras. Coated in a layer of dark red lacquer, the feng deng adds color and texture to interiors as a low stool or side table.
