PETITE ROLLING JAR

\$380

15th century or earlier • Central America • Pigment, Terra Cotta • Collection #CMT135

H: 6.5" Dia: 5.0"

With a rounded body that gently curves into a flared spout, this petite ceramic vessel has a beautifully formed silhouette. It has wonderfully aged patina and is intricately painted in a style consistent with Pre-Columbian pottery, although date and origin can not be verified.
