**\$480**

c. 1900 • China • Bead, Rosewood, Brass, Mother of Pearl • Collection #CFC519

W: 11.75" D: 2.25" H: 2.75"

This petite incense box is crafted of fine huali rosewood and elegantly decorated with floral motifs of inlaid brass and mother-of-pearl. Designed to resemble a scroll-form altar table, the rectangular box has waterfall sides and a single drawer used to store and burn incense. The top is perforated with round holes that allow fragrant smoke to emanate from the drawer below. Beautifully crafted with fine detail, this ornate box is the perfect place to stow cherished possessions.

Box is missing one scrolled foot. Minor losses to inlaid decoration.
