ROSEWOOD TEA TABLE

\$2,880

c. 1850 • China • Rosewood • Collection #CIG001B

W: 16.25" D: 12.25" H: 31.5"

Crafted with mortise-and-tenon joinery, this skillfully constructed tea table is minimally detailed with just the suggestion of hoof feet and carved apron to put the full attention on the natural beauty of rosewood. Exhibiting a rich hue, dark veining and a silky texture, rosewood was highly prized by Chinese woodworkers.
