SCHOLARS' CALLIGRAPHY BRUSH

\$388

c. 1900 • Northern China, China • Rosewood, Bamboo • Collection #KK064BB

H: 12.5" Dia: 1.5"

As Chinese painting and calligraphy are very personal and distinctive arts, no two scholars have the same style—or the same tools. This hand-carved rosewood brush is sophisticated in its simplicity, fitting for a respected scholar. Today, this particular form is highly collectible as a scholars' object and as an object of curiosity.
