FOUR DOOR STEPPE COFFER

\$6,280

c. 1900 • Shanxi, China • Pine • Collection #TLD017

W: 77.75" D: 18.0" H: 33.25"

Created in the style of Mongolian storage coffers, this early 20th-century four door coffer has a minimalist design and plenty of rustic appeal. Originally configured to open from the top, the cabinet has been modified with front-facing doors by our carpenters skilled in traditional joinery. The coffer has three central drawers and two sets of double doors, each opening to reveal a single shelf. Ideal as a sideboard or credenza, the square corner cabinet is simply decorated with a beveled trim around each door and a light brown exterior textured by wear and an aged patina.
