CUSTOM SCROLL DOON TABLE

\$8,680

Made to Order • Shanxi, China • Limestone • Collection #SOPR0006

W: 66.0" D: 11.75" H: 7.0"

This thoughtfully designed sculptural scroll form table is carved by hand from a single block of limestone. With a strong, low profile and fluidly scrolled feet, the low table honors the balanced proportions and minimal forms characteristic of Ming-dynasty design.

As much an architectural element as it is a piece of furniture, the table continues a long Chinese tradition of stone furniture, valued for its rich texture and inherent permanence. The timeless form sits just as beautifully outdoors as a sculptural bench as it does indoors beneath a monumental work of art.

Table is made to order to your custom size. Continued...
