SENUFO BABY BED

\$980

c. 1900 • Ivory Coast • Wood • Collection #CAA0154

W: 30.5" D: 11.75" H: 12.0"

The combination of stout legs and a gracefully curved seat mark this as an exciting example of Senufo craftsmanship. In contrast to many of their stools, this baby bed features a longer seat that transitions into a simply carved headrest. Natural grain and imperfections express the character of a well-loved object. We are drawn to its asymmetry and purity of form.
