SENUFO STOOL

\$980

c. 1900 • Ivory Coast • Wood • Collection #CAA0150

W: 17.75" D: 7.0" H: 6.75"

Hand-carved from a single, solid block of wood, each Senufo stool has a unique personality as a modern sculpture, seat, or table. The irregular strokes and diminutive nature are telltale signs of this traditional woodcarving practice. Note the thoughtful heartwood timber selected for the top. The slightly lifted seat combines with the stout legs to create dynamic change and modern proportions from foot to tip of this soulful object.
