SIX DOOR PLAINS COFFER

\$8,800

c. 1880 • Gansu, China • Pine • Collection #TLB081

W: 102.75" D: 19.0" H: 33.5"

Created in the style of Mongolian storage coffers, this late 19th-century herdsman's chest has a straightforward design and plenty of rustic appeal. Originally configured to open from the top, the coffer was modified with six front-facing doors by our carpenters skilled in traditional joinery. The three sets of double-doors open to a large interior fitted with one continuous shelf. Ideal as a sideboard or credenza, this cabinet enriches modern interiors with wabi-sabi texture and warm brown color.
