Contemporary • China • Silk, Gems • Collection #CJLDT022

W: 1.0" D: 0.5" H: 10.25"

Made of silk by a skilled Chinese artisan, this handmade tassel is topped with a beautiful carnelian bead. Throughout Chinese history, tassels have been used as decoration—the tassel is attached to intricate knots, which together, bring fortune and luck wherever they're placed. Knotting is an ancient Chinese art form made from a single, meter long length of silk cord tied into elaborate patterns.
