DRIP CLOUD GLAZE WINE JAR

\$380

Zhejiang, China • Porcelain • Collection #BJEE126

H: 13.0" Dia: 7.5"

The simple, austere beauty of this exquisite wine jar is deceiving. Creating this jar—with its perfectly tapered form and cool-toned drip cloud glaze—would have required the artisan to master the ancient art of Chinese porcelain making. The understated mono-color glaze has a timeless beauty that stands out among modern, over-designed ceramics and would make the perfect addition to your home.
