JAPANESE RED LACQUER SERVING TRAY

\$328

c. 1850 • Japan • Wood, Lacquer • Collection #CMRC053D

W: 13.75" D: 13.75" H: 5.5"

This Japanese serving tray exemplifies the refined style of Meiji-era lacquerware. Elevated by a splayed footed base, the tray has a shallow, square top with raised sides and rounded corners. The tray top is decorated with a serene sansui landscape, delicately brushed atop an even layer of red-orange lacquer. A time-honored way to serve food or drink, we love this tray as a serving platter, catch-all dish, or tabletop display stand.

Tray top has split due to age. Minor chip to rim.
