CHICKEN TROUGH

\$980

c. 1850 • Shanxi, China • Limestone • Collection #U053D

W: 24.0" D: 8.0" H: 7.5"

Once a common sight in courtyards throughout rural China, this textured stone trough was filled with grain for chickens and other barnyard fowl. Chiseled from a block of stone over a century ago, the deeply weathered vessel has endless stories to tell. With its shallow basin, the trough makes a wonderful planter, perfect for hens-and-chicks and other lush succulents.
