PROVINCIAL FAN SHAPED STOOL

\$980

c. 1850 • Hebei, China • Northern Elmwood • Collection #BJEE197

W: 19.0" D: 12.75" H: 20.25"

Crafted by an artisan in China's Hebei province, this mid-19th century stool has aged beautifully with time, developing a rich texture that calls to be touched. The stool's traditional mortise-and-tenon joinery adds charming detail to the simple form, and the fan-shaped seat provides unexpected grace and flair. A favorite in our gallery, the artfully rendered spirit of this rustic stool sets it apart.
