TALL PROVINCIAL STOOL

\$780

Shanxi, China • Northern Elmwood • Collection #TLB105D

W: 15.5" D: 11.0" H: 25.0"

This provincial stool is artisan-crafted in the style of traditional Chinese courtyard stools typically used throughout a Qing dynasty home as versatile everyday seating. Made of reclaimed elmwood, the tapered stool features a narrow, rectangular seat supported by four splayed legs linked with straight side stretchers and floor stretchers that double as footrests. Left unfinished, the original grain of the stool offers fantastic character and rustic, wabi-sabi texture. This stool stands tall, making it a great seating option for a bar or kitchen counter.
