## WOVEN TOP SQUARE TABLE

**\$4,080**

c. 1900 • Shanxi, China • Northern Elmwood, Reed • Collection #BJFF037

W: 36.25" D: 26.25" H: 21.25"

Curving spandrels, a stepped apron, and subtly splayed legs epitomize the simple grace of this 19th-century square stool, known as a feng deng. Handcrafted from Chinese elmwood, this object projects a proud, knowing stance and carries a wealth of tones and textures in its rich wood grain and inset hand-woven top. Originally used in a well-to-do, Shanxi-province home, it is elegant today as a seat or a side table.
