
PAGODA RED

WOVEN TOP DAYBED

\$2,880

c. 1850 • Northern China, China • Northern Elmwood • Collection #CKB010

W: 46.5" D: 30.0" H: 19.75"

The traditional Chinese daybed was not only designed for sleeping, it was also a place to gather for games or socializing over tea. Made of northern elmwood, this 19th-century daybed is simply carved with a recessed apron and sturdy legs ending in hoof feet. The top is woven of rattan, providing a textured yet firm surface.
