TALL BAI BOTTLENECK VASE

\$1,680

Zhejiang, China • Porcelain • Collection #BJEE114

H: 31.25" Dia: 19.5"

Drawing on a long Chinese tradition of monochrome ceramics, this tall gooseneck vase is glazed in an all-over cool white glaze. The vase features a rounded body with high shoulders and a narrow cylindrical neck, a classic form known as 'tianqiuping' or 'celestial ball vase.' Sculpted by artisans in China's Zhejiang province, this contemporary vase reinterprets a traditional shape with clean lines and an understated sculptural presence.
