BAI MEIPING VASE

\$428

Zhejiang, China • Porcelain • Collection #BJEE123

H: 18.5" Dia: 10.5"

Meiping vases were traditionally used to hold the branches of plum trees, celebrated in China as symbols of strength and longevity. This contemporary update, made in China's Zhejiang province, streamlines the meiping design, cloaking it in a milky white glaze to call out its clean silhouette and sculptural form.
