## WOVEN FIELD BASKET

**\$188**

c. 1900 • Shanxi, China • Willow • Collection #BJFF071A

W: 8.75" D: 16.0" H: 4.25"

From field to table, this intricately woven basket was once used to collect grain or produce. Exhibiting remarkable workmanship, the boat-shaped basket is woven of willow reeds anchored by a fiber-wrapped wood rim. We love the rustic touch it gives to a bundle of dried botanicals or a napkin-lined offering of fresh rolls.
